## *Happy Holidays from PAVE Centre*

### ***Conversation for the dinner table***

This holiday season we implore you to invest in your future and the ones you love. Reflect on your accomplishments in 2019 and make necessary adjustments to bring in the new year. Our Founder, Mr. Al Merritt, believes in enhancing fellowship through effective and influential communication. Next time you find yourself sharing a meal with those you hold dear to your heart, take time to personally check in with them and bypass the barriers of day to day routines. Reflect on the true meaning of life and embrace the unification of humankind as you live your lives in a manner that reflects your ultimate contribution to life's journey. As we like to say here in Jamaica "One Love!"

### ***PAVE & You***

Here at PAVE we pride ourselves on our vision of family and continuous brighter days. As we approach a

new chapter in our story, we would like to send a special thank you to all of the links in our chain. Without the interest and support of people like you, we would not have been able to reach the 75 lives that have been impacted by our program thus far. Next year we plan to provide the necessary support and resources to equip 48 more at risk youth in Portland, Jamaica. If you are looking to put a smile on a deserving child's face this holiday season, see below to find out how PAVE can help you achieve that goal.
