APRIL 2023 | NCF, YPO VISITS AND MORE!

THANK YOU

The YPO Florida Gold chapter and the YPO Jamaica Gold chapter, with leadership from the YPO Gold Southeastern US and Caribbean region visited PAVE this past March. Everyone enjoyed learning about PAVE and the impact we are making in Port Antonio Jamaica.

NCSF visits PAVE - The National Christian Foundation South Florida President Stephan Tchividjian, Staff, Board of Directors and their spouses visited the PAVE Centre on March 30, 2023. The group enjoyed meeting the students from our Hospitality and Security classes. As a result of the visit to our Self-worth class the NCF group gave a very generous donation. These funds will go directly to our classes and students to ensure continuous high quality education.
