NOVEMBER 2023

Our hearts and thoughts are with all those impacted by the recent earthquake on October 30, 2023. The tremors were felt across the entire island with the epicenter situated approximately 4 km (2.5 miles) west-northwest of Hope Bay in Portland. We are relieved to hear that our team at PAVE Centre and our students are safe and unharmed during this unsettling event. Our deepest sympathies go out to those affected.
