

PAVE CENTRE NEWSLETTER

MARCH 2024

Congratulations Graduates!

Congratulations to the 30 PAVE graduates who successfully earned their certifications in Hospitality Level 2, Housekeeping, and Culinary Kitchen Skills on February 11, 2024. Your hard work and commitment have “PAVED” the way for exciting opportunities. Well done and best wishes for your future endeavors!

Love & Oysters Fundraising Event

The PAVE Love & Oysters Event on February 10, 2024, surpassed all expectations thanks to Chef Antony, Cora, Richard, and Maggie from Willa Bay Oysterville Sea Farms, who created an unforgettable experience with their mastery of oysters and seafood. A special thanks to Debbie & Duncan Stewart for hosting at San Bar and San Cove in Jamaica where outstanding hospitality and a breathtaking venue added to the event's success. The PAVE team's hard work ensured smooth operations and attendees' support made a significant impact. We extend sincere thanks to all who contributed, reinforcing our commitment to empowering at-risk youth through vocational training.

BEST & BRIGHTEST OF THE MONTH

Employee Spotlight

Meet **Danielle Handal**, our dedicated Social Media Coordinator for PAVE. She has been an integral part of our team for two years, passionately engaging with prospective students and community members in Jamaica and South Florida. Danielle ensures that our content reflects our mission authentically and transparently, emphasizing the importance of education and community building. Inspired by her mother's humanitarian spirit, Danielle envisions herself as a licensed clinical social worker in five years, providing support to individuals while continuing to collaborate with PAVE. She encourages newcomers to follow their passions fearlessly, highlighting the value of embracing diverse interests. Danielle's commitment to making a difference and her dedication to personal growth make her an invaluable asset and inspiration to those around her.

Meet **Emory Wilson**, a motivated student currently enrolled in the Restaurant Server course. Post-graduation, Emory aims to secure employment in this field while saving up to pursue further education in Electrical Installation and Welding at HEART Trust in Buff Bay, Portland. His long-term career goal is to become an Electrician/Welder, either working for an established business or potentially starting his own company. Despite being unemployed, Emory's ambition and dedication are evident, reflecting his proactive approach to success. Additionally, Emory stands out for his respectful demeanor, humility, and excellent communication skills. These aspects help him foster positive relationships and aid him to approach learning with passion. He embodies dedication and character, making him a shining example among his peers.
